

**GRAND CANYON ARCHEOLOGY
2010 SUMMER INTERN ANNOUNCEMENT
NORTH/SOUTH RIMS**

Short description:

This internship will support Grand Canyon National Park's Archeology Program in completing archeological surveys, compliance monitoring and ruins preservation on the north and south rims of the park. Projects may include any of the following duties: archeological site inventory survey, archeological site condition monitoring, monitoring park projects near archeological sites, ruins preservation projects, architectural documentation, data entry and file organization.

The primary objectives of this internship include: 1) assessing the condition of archeological sites on the south rim of Grand Canyon National Park, 2) assisting with recording newly discovered archeological sites, 3) assisting the architectural preservation crew with maintenance and evaluations, 4) completing data entry.

Knowledge and Skills Required

- Skilled in use of Trimble or Garmin GPS units, digital cameras, Access Database and GIS.
- Ability to read a topographic map and use a compass
- Skilled in canyon hiking and orienteering.
- Ability to work independently with little or no supervision and as part of a team for extended periods of time.
- Experience conducting archeological fieldwork in the southwestern United States, experience in northern Arizona archeology a benefit.

Additional Details

- The internship duration would be June 7 through August 27, 2010.
- The intern would be based on the South Rim and shared housing will be provided.
- The intern must have a valid driver's license and personal vehicle. A government vehicle will be available for work related tasks.
- There will be field work associated with this project – the intern should have field experience in variable conditions, extensive camping / backcountry experience, and possess a willingness to work long hours.
- The intern will be compensated \$500 per week during the term of their internship.
- Applications will be accepted through May 7, 2010; the position will be filled by May 15, 2010 and duties will begin on June 7, 2010.
